

## Type NS-Titan Binlifter (1000 Kg)

The Titan Binlifter is the king of all binlifters! This Titan has the ability to tip 1100L, 660L or dual 240L bins all in one unit.

The unit is fully enclosed for maximum safety and can lift up to a massive 1000kg per lift.

The Titan is ideal for large supermarkets, convention centres, shopping centers and any area where large amounts of waste are disposed of on a daily basis

### Specifications -

- Safe lifting capacity of 1000kg
- Dual Lifts 80L, 120L, 140L and 240L bins (manual adjustment)
- 12V rechargeable battery with Smart Charger (enables the battery to charge whilst the binlifter is operating from mains power)
